## **STONE CREEK DEMOCRATIC CLUB**

**We are a Stone Creek Interest Group chartered under the Marion County Democrats. The Stone Creek Democrats support county and state Democrats who are dedicated to building membership, bringing fresh energy to local politics, creating an inclusive, vibrant community, and promoting the principles of personal freedoms, fairness, climate change mitigation, gun safety, social equity, civil rights, and tax structure that is fair to all income levels**

**There are over 1,100 registered Democrats in Stone Creek who are dedicated to supporting Democratic candidates not only in our county, but across the nation. Electing Democrats to public office at every level, from local city councils and school boards, to national positions such as Representatives, Senators, and the President, is a major objective. All registered Democrats, Independents and NPAs are invited to join this interest group. Our dues are \$15/year and we generally meet on the third Monday of the month from 5:00 to 6:30 in Meeting Rooms 1 and 2 in the Stone Creek Reunion Center on 6111 SW 89th Court Road.**
